Press F12 to open developer tools

Press

Select

Click Refresh button

After few seconds you will see the following

Microsoft | Software Download Windows Windows Insider Preview FAQ All Microsoft

Download Windows 10 Disc Image (ISO File)

Before updating, please refer to the [Windows release information status](#) for known issues to confirm your device is not impacted.

You've been routed to this page because the operating system you're using won't support the Windows 10 media creation tool and we want to make sure you can download Windows 10. To use the media creation tool, visit the [Microsoft Software Download Windows 10 page](#) from a Windows 7, Windows 8.1 or Windows 10 device.

You can use this page to download a disc image (ISO file) that can be used to install or reinstall Windows 10. The image can also be used to create installation media using a USB flash drive or DVD.
