

Installing KB4527297 for Current Branch 1906 - Out of band Hotfix

Above update was released today for CB1906. You can visit below link to download and install directly. This update is not available within the console until you install above update.

<https://support.microsoft.com/en-us/help/4527297/synchronization-with-microsoft-store-for-business-does-not-use-proxy-i>

Symptoms

Synchronization of data between the Microsoft Store for Business and a Configuration Manager site server will fail when a proxy server is required and configured on the site. Errors resembling the following are recorded in the WsfbSyncWorker.log on the site server.

```
Error getting application token, converting to WsfbAuthenticationException. Original exception:
System.Net.Http.HttpRequestException: An error occurred while sending the request. ---> System.Net.WebException: The remote name could
not be resolved: 'login.microsoftonline.com'
   at System.Net.HttpWebRequest.EndGetResponse(IAsyncResult asyncResult)
   at System.Net.Http.HttpClientHandler.GetResponseCallback(IAsyncResult ar)
```

The install has started. It will take some time to complete the process. Please note there is no need to restart the server.

The screenshot shows the 'Updates and Servicing' console in the System Center Configuration Manager. The main pane displays a list of updates. The first update, 'Configuration Manager 1906 Hotfix (KB4527297)', is highlighted with a red box and has a state of 'Checking prerequisites'. Below the list, a detailed view for this update is shown, including a description: 'Fixes issues explained in KB4527297' and a link to the support page. The console also features a top navigation bar with buttons for 'Check for updates', 'Refresh', and 'Saved Searches'. A yellow banner at the bottom of the console area states: 'A new version of the console is available (5.1906.1096.2200). Working in the old console (5.1906.1096.2000) might corrupt data. [Install the new console version](#)'.

Name	Date Released	State	Prereq Only	Ignore Prereq Warning	Full Version	Client Version	Last Update Time	Desc

This is a dialog box titled 'Configuration Manager'. It contains the text 'Downloading files...' and a progress bar. The progress bar is partially filled with green, indicating the download is in progress. A 'Close' button is located at the bottom right of the dialog box.

This is a dialog box titled 'System Center Configuration Manager Console'. It contains the text 'Please wait while Windows configures System Center Configuration Manager Console'. Below the text is a timer that reads 'Time remaining: 2 seconds'. A progress bar is shown at the bottom, and a 'Cancel' button is located to the right of the progress bar.
