# Renew Secret Key Error in Current Branch 2111

I started to see above error in CB2111. Had to fix the issue by performing below task.

From Administration – Azure AD Tenants, I was able to find which of the applications are about to expire.

Now the keys are extended for another 2 years.

Applications			
Application Name	Tenant ID	Client ID	Secret Key Expiry (UTC)
ConfigMgrSvc_b7e201ac-a6bb-45d6-bf30-a92eeada87dc	16777218	d81ed77d-fff9-4afc-8c91-cc1a44160185	06-Apr-2024 12:43 PM
ConfigMgrSvc_a2369357-73a6-4951-9812-8e8b2eda83f4	16777218	69d18d93-c0b7-4880-ae4b-2d3f849c8f58	06-Apr-2024 12:42 PM

No more notifications in the console.
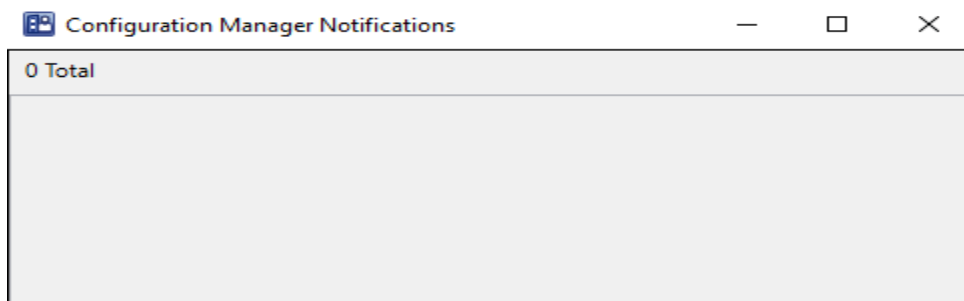

Hope this helps you in renewing the keys.

Thanks

Ram
